US Collaboration of Zones Outreach Rural Project Survey

Your Voice Matters: Help Us Identify the Needs and Define the Future of the Outreach – Rural Support and Mentorship Projects

Who is missing from our meetings or Area Service Committee? Are you a member with experience in or needing assistance with Groups or Area Service Committees in Rural/Remote Communities, Marginalized Populations, or Mentorship, Training?

Your insights are crucial as we work to understand and better serve all groups, members, including those experiencing isolation.

Please take a few minutes to complete our survey. Your input will shape the future of NA service!

Click the link below or scan to Take the Survey

<https://www.surveymonkey.com/r/1DBYMWE>

The US Collaboration of Zones is collecting service resources created and used across all service bodies that support rural outreach, accessibility, mentorship, and fellowship development.

WHAT RESOURCES DO YOU HAVE??

If something worked, helped, or taught you something, we want to see it.

A few examples:

- Service Position Orientation
- Digital GSR Packet
- Carpool Coordinator Guide
- Accessibility Tools
- Community-specific Outreach Guides
- Young People Committee Guide

If you are unsure whether something fits, submit it anyway.

We're Building a New Resource Page on

usa-na.org

Help us strengthen our fellowship by sharing your experience, tools, and projects!

We are collecting materials to highlight resources and current efforts that:

- Expand NA in rural areas
- Reach marginalized communities (Who's missing?)
- Provide mentorship & training for consistent service

💡 We're also looking for current projects already underway that align with our focus areas of rural communities, marginalized communities, and mentorship.

✉ Send us your materials!

Together, we can create a fellowship-wide resource hub that inspires, supports, and strengthens NA services across the U.S.
